This announcement is made by OneRobotics (Shenzhen) Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

Reference is made to the announcements of the Company dated March 24, 2026, March 27, 2026, April 2, 2026, April 22, 2026, June 11, 2026, June 16, 2026 and June 21, 2026 (the “**Announcements**”) and the circular of the Company dated April 2, 2026 (the “**Circular**”) in relation to the adoption of the H Share Incentive Scheme (the “**Scheme**”) and the purchase of H Shares. Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Announcements and the Circular.

The board (the “**Board**”) of directors of the Company was informed by the trustee of the Scheme (the “**Trustee**”) that, during the period from June 18, 2026 to June 23, 2026 (both days inclusive), the Trustee further purchased a total of 360,000 H Shares on the market in accordance with the scheme rules of the Scheme and the trust deed (the “**Share Purchase**”). Together with the 97,000 H Shares previously disclosed, the Trustee has purchased an aggregate of 457,000 H Shares as at the date of this announcement, for an aggregate total consideration of approximately HK\$29,335,045 (excluding transaction costs). Such H Shares will be held by the Trustee on trust for the benefit of the Grantees and used for the grant of Award Shares in the future under the Scheme.

As disclosed in the announcement of the Company dated June 21, 2026, the Company currently expects to conduct further Share Purchase for a total consideration of not more than HK\$500 million. The Trustee will continue to purchase H Shares on the market from time to time in accordance with the scheme rules of the Scheme and the trust deed, subject to applicable market conditions.

Details of the H Shares purchased and held on trust by the Trustee are set out below:

Balance of H Shares held by the Trustee immediately after the Share Purchase	457,000 H Shares, representing approximately 0.203% of the total number of issued H Shares as at the date of this announcement

The Board considers that this further Share Purchase demonstrates the Company's confidence in the long-term commercial potential of embodied AI home robotics and the Group's leadership position in this rapidly growing global market, and will also facilitate the future grant of Award Shares to Eligible Participants under the Scheme. The Board believes that the Scheme will further align the interests of the Grantees with those of the Company and the Shareholders as a whole and incentivise them to continue to contribute to the long-term development of the Group.

The Board will continue to review and determine from time to time, at its absolute discretion, the number of H Shares to be awarded to the Eligible Participants as it may deem appropriate and the number of H Shares to be further purchased from the market in accordance with the scheme rules of the Scheme and the trust deed.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares of the Company.
