VOLUNTARY ANNOUNCEMENT

FURTHER PURCHASE OF H SHARES PURSUANT TO THE 2026 H SHARE INCENTIVE SCHEME AND CORNERSTONE INVESTORS' CONFIDENCE IN THE GROUP'S LONG-TERM DEVELOPMENT

This announcement is made by OneRobotics (Shenzhen) Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis.

FURTHER PURCHASE OF H SHARES PURSUANT TO THE 2026 H SHARE INCENTIVE SCHEME

Reference is made to the circular of the Company dated April 2, 2026 (the “**Circular**”) in relation to the adoption of the H Share Incentive Scheme (the “**Scheme**”). Unless otherwise defined, capitalised terms used in this announcement shall have the same meanings as those defined in the Circular.

The board (the “**Board**”) of directors of the Company was informed by the trustee of the Scheme (the “**Trustee**”) that, during the period from June 25, 2026 to June 30, 2026 (both days inclusive), the Trustee further purchased a total of 95,000 H Shares on the market in accordance with the scheme rules of the Scheme and the trust deed (the “**Share Purchase**”), at a purchase price range of approximately HK\$56.85 to approximately HK\$60.40 per H Share, for a total consideration of approximately HK\$5,539,965 (excluding transaction costs). Together with the 457,000 H Shares previously disclosed, the Trustee has purchased an aggregate of 552,000 H Shares as at the date of this announcement, for an aggregate total consideration of approximately HK\$34,875,010

(excluding transaction costs). Such H Shares will be held by the Trustee on trust for the benefit of the Grantees and used for the grant of Award Shares in the future under the Scheme.

As disclosed in the announcement of the Company dated June 21, 2026, the Company currently expects that the aggregate total consideration for the Share Purchase to be conducted under the Scheme will not exceed HK\$500 million. The Trustee will continue to purchase H Shares on the market from time to time in accordance with the scheme rules of the Scheme and the trust deed, subject to applicable market conditions.

The Board considers that this further Share Purchase demonstrates the Company's confidence in the long-term commercial potential of embodied AI home robotics and the Group's leadership position in this rapidly growing global market, and will also facilitate the future grant of Award Shares to Eligible Participants under the Scheme. The Board believes that the Scheme will further align the interests of the Grantees with those of the Company and the Shareholders as a whole and incentivise them to continue to contribute to the long-term development of the Group.

RECOGNITION OF THE GROUP'S LONG-TERM VALUE AND DEVELOPMENT PROSPECTS BY CORNERSTONE INVESTORS

As disclosed in the voluntary announcement of the Company dated June 30, 2026, the cornerstone investors participating in the Global Offering of the Shares of the Company were allocated 9,484,500 Shares, representing approximately 4.21% of the issued share capital of the Company as at the date of this announcement. Such Shares were subject to a lock-up period of 6 months from the date of listing of the Shares of the Company, being December 30, 2025, and the lock-up period applicable to such Shares expired on June 29, 2026.

To the best of the Directors' knowledge, information and belief, having made reasonable enquiries, the cornerstone investors have expressed their recognition of the long-term value and development prospects of the Group, and their confidence in the Group's growth potential in the field of embodied AI home robotics.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares of the Company.
